

PARKING PERMIT GUIDELINES

There is **no parking** on City of Woodland streets **unless** you have 1) an approved temporary parking permit **and** 2) have posted the orange parking signs at the approved parking zone(s) for the event.

- Parking is permitted only within established parking zones and only for the date(s) and time(s) specified on the parking permit.
- The permit holder agrees to take all steps required by the Deephaven Chief of Police and officers to ensure that all parking complies with the requirements of Woodland City Ordinance 500.05, attached.
- There is no parking permitted at the Drainage Area on Breezy Point Road, between Zones M and H.
- The City of Woodland or Deephaven Police may invalidate or cancel the parking permit when there is heavy snowfall or other conditions that prevent off-pavement parking or make roadside parking unsafe or cause property damage.
- Applicants' failure to comply with requirements of the parking permit below may be subject to citation. And vehicles that do not comply may be subject to citation.

Permit checklist:

- Orange permit signs with arrows must be posted to clearly mark each end of the approved parking zones(s) for event guests or contractor employees.
- Valet service providers must understand the responsibilities inherent to the parking permit. The city may require a conference with the applicant and valet staff.
- Vehicles must at all times be parked sufficiently off the road for unimpeded passage of emergency vehicles.
- Parked vehicles must not block driveways or mailboxes.
- Parked vehicles must not cause damage to roadways or residential property.
- Remove orange parking signs at the conclusion of the permit time period.

WOODLAND CITY ORDINANCES

CHAPTER 5. VEHICLES, TRAFFIC AND STREETS

SECTION 500: VEHICULAR TRAFFIC AND PARKING

500.05 Parking Regulations.

Subd. 1. On-Street Parking. Except as expressly provided in Subd. 4 below, no person may park or leave unattended any vehicle on any public street in the City.

Subd. 4. Temporary On-Street Parking Permit. Upon request of a resident holding an event for which the resident has insufficient private parking to accommodate the expected number of guests, the Chief of Police may, but is not required to, issue a special parking permit allowing roadside parking, in designated permit parking zones subject to the following conditions:

- (a) The permit will specify the designated permit parking zone and the date and hours parking will be permitted.
- (b) Cars may be parked only in the specific area or areas designated in the permit.
- (c) Cars must at all times be parked sufficiently off the road so as to provide a lane wide enough for the unimpeded passage of emergency vehicles. If heavy snowfall or other conditions prevent off-pavement parking or otherwise make roadside parking unsafe, the Chief of Police will cancel the permit. The City has no obligation to plow snow from parking zones.
- (d) A resident granted a permit will post (and remove upon expiration of the parking permit) temporary signs clearly designating the permitted parking areas or provide an attendant or attendants to show guests where parking is and is not permitted, and will take all other steps required by the Chief of Police as a condition of the parking permit or that are otherwise necessary to ensure that guest parking complies with the requirements of this Section 500.05.
- (e) Contractors with major construction or remodeling projects in the City may secure a monthly parking permit for a specified zone, providing that such monthly permit shall not apply to the hours for which any other permit under this subdivision is issued.

Subd. 5. 24-hour Parking. No person may leave any vehicle on any public street for a consecutive period of more than 24 hours.

Subd. 6. Prohibited Parking After Snowfall. No person may park or leave unattended any vehicle on any public street, within the designated parking zones, in the City after two inches or more of snow has fallen until the street has been completely plowed. In addition to any other penalties imposed for violation of this Section, the Chief of Police is authorized to cause any vehicle parked or left unattended in violation of this Section to be towed from the street at the expense of the owner of the vehicle.

500.06. Penalty. Any violation of a provision of Section 500 or of the statutes adopted by reference in Section 500.01 is a misdemeanor except violations of the parking regulations in Section 500.05, which are a petty misdemeanor, and except as provided in Minnesota Statutes, Sections 169.89 and 169.891 regarding petty misdemeanors.

ZONE STREET/LOCATION

- B** Maplewood Circle East, *south side only*
- D** Cedar Ridge Road, *south side only*
- E** Marshland Road, *west side only*
